About the Authors	ix
Preface to the Third Edition	x
Section 1. Pretransfusion Testing Process	1
Section 2. Crossmatch Process	9
Section 3. Automated Testing Process	15
Section 4. Antibody Identification Process	17
Section 5. Mother and Infant Blood Sample Testing Process	31
Section 6. Transfusion Reaction Investigation Process	47
Section 7. Issue and Return Process	63
Section 8. Training and Competence Assessment	73
Trainer Guidelines for: Pretransfusion Testing Process	73
Training and Initial Competency Assessment for: Pretransfusion Testing Process	76
Written Assessment for: Pretransfusion Testing Process	80
Answers to: Pretransfusion Testing Process Written Assessment	82
Trainer Guidelines for: Crossmatch Process	84
Training and Initial Competency Assessment for: Crossmatch Testing Process	86
Written Assessment for: Crossmatch Process	90
Answers to: Crossmatch Process Written Assessment	93
Trainer Guidelines for: Antibody Identification Process	95
Training and Initial Competency Assessment for: Antibody Identification Process	97
Written Assessment for: Antibody Identification Process	101
Answers to: Antibody Identification Process Written Assessment	104
Trainer Guidelines for: Mother and Infant Blood Sample Testing Process	106
Training and Initial Competency Assessment for: Mother and Infant Blood Sample Testing Process	108
Written Assessment for: Mother and Infant Blood Sample Testing Process	112
Answers to: Mother and Infant Blood Sample Testing Process Written Assessment	115
Trainer Guidelines for: Transfusion Reaction Investigation Process	117
Training and Initial Competency Assessment for: Transfusion Reaction Investigation Process	119
Written Assessment for: Transfusion Reaction Investigation Process	123

Answers to: Transfusion Reaction Investigation Process Written Assessment	126
Trainer Guidelines for: Issue and Return Process	128
Training and Initial Competency Assessment for: Issue and Return Process.	130
Written Assessment for: Issue and Return Process.	134
Answers to: Issue and Return Process Written Assessment	136
Trainee Responsibilities for: [Name of] Process	138
Evaluation of Training Experience for: [Name of] Process	139
Competence Assessment Follow-Up Action Plan for: [Name of] Process	141
Blood Bank Competency Assessment [Name of] Hospital Chart	142
