Foreword..... vii

Introduction ..... 1

Section 1: Pretesting and General Testing Considerations..... 2

Section 2: Routine Initial Testing and Interpretation ..... 12

Section 3: Additional Guidance and Testing..... 22

Section 4: Unusual Antibody Identification Situations ..... 34

References..... 44

Appendix 1. Crossing Out On The Panel Antigen Profile to Document Antibody Exclusions ..... 48

Appendix 2. Examples of Initial Testing and Interpretations..... 52

Appendix 3. Examples of Subsequent Workups Using Abbreviated Protocols ..... 99

Appendix 4. Regulations and Standards For Antibody Detection and Antibody Identification Testing ..... 106

Glossary ..... 111
